Summer School Algebra 1 Instructor

Title: Summer School Algebra 1 Instructor  
Division: Upper School  
Location: Richmond, CA  
Start Date: June 2016  
Reports to: Upper School Dean of Students  
Status: Non-exempt  
Strand: Instructional Leadership

Position Summary
The role of the Summer School Algebra 1 Instructor, under the supervision of the Dean of Students and the Summer School Faculty Lead, will be to facilitate and implement the Algebra 1 credit recovery course, utilizing the curriculum provided by MWAUS.

Our Story
Making Waves Foundation was founded in 1989 as a mentoring program to address the disparity in educational opportunities for low-income students in Richmond, CA. For decades, through comprehensive programming and services, Making Waves has helped prepare and support first-generation college students to graduate from competitive institutions across the country.

In 2007, the foundation opened the Making Waves Academy Middle School, a charter school offering a rigorous fifth to eighth grade academic program and comprehensive services for students and families. The Making Waves Academy Upper School was launched in 2011 and provides rich academic course offerings, career exploration and extensive college advisement. The Upper School graduated its first class of 12th graders this year, 96% of which completed the SAT exams and 100% of which applied to college.

Primary Responsibilities
- Provide quality instruction and remediation to students in the Algebra 1 credit recovery course, including:
  - Familiarization with the curriculum provided by MWAUS
  - Lesson planning and implementation for each day of Summer School, creating lessons that are scaffolded to support student learning and engagement
  - Developing a variety of graded assessments to evaluate student performance in accordance with Algebra 1 standards
- Uphold MWAUS Summer School policies and expectations:
  - Attendance Policy
  - Behavioral Policy
  - Family notification regarding student progress
  - Supervision duties
  - Friday Experiential Learning opportunities
  - Grading Policy
Qualifications

Experience

- Minimum 1 year of working with groups of 20 or more ethnically and socioeconomically diverse students in a classroom, or after school setting
- Undergraduate, graduate, or K-12 teaching experience
- Undergraduate or graduate Algebra or Math background

Skills

- Ability to work collaboratively and independently
- Consistency and timeliness
- Professional and effective communication
- Relationship building and classroom management skills for classroom with students of diverse backgrounds and varying academic skill levels
- Family outreach

Education

- Teaching credential or teaching intern credential required
- Students that are currently in accredited education programs are encouraged to apply

Salary and Schedule

Salary for this position is $5000. Summer School staffing dates are Monday-Friday at 8AM-3:30PM from June 27th- July 25th. Staff Orientation is Thursday, June 16th.

How to Apply

Please send cover letter and resume to apply@mwacademy.org.

Applications will be reviewed on a rolling basis, though priority consideration will be given to candidates that apply early. Making Waves Academy is an equal opportunity employer. Candidates from diverse backgrounds are encouraged to apply.
