UNIFORM COMPLAINT POLICY AND PROCEDURES

Scope

Making Waves Academy's ("Charter School") policy is to comply with applicable federal and state laws and regulations. The Charter School is the local agency primarily responsible for compliance with federal and state laws and regulations governing educational programs. Pursuant to this policy, persons responsible for conducting investigations shall be knowledgeable about the laws and programs which they are assigned to investigate. This complaint procedure is adopted to provide a uniform system of complaint processing for the following types of complaints:

- (1) Complaints of unlawful discrimination, harassment, intimidation or bullying against any protected group, including actual or perceived discrimination, on the basis of the actual or perceived characteristics of age, ancestry, color, disability, ethnic group identification, gender expression, gender identity, gender, genetic information, nationality, national origin, race or ethnicity, religion, sex, or sexual orientation, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics in any Charter School program or activity; and
- (2) Complaints of violations of state or federal law and regulations governing the following programs including but not limited to: Adult Education Programs, Consolidated Categorical Aid Programs, Migrant Education, Career Technical and Technical Education and Career Technical and Technical Training Programs, Child Care and Development Programs, Child Nutrition Programs, and Special Education Programs.
- (3) A complaint may also be filed alleging that a pupil enrolled in a public school was required to pay a pupil fee for participation in an educational activity as those terms are defined below.
 - a. "Educational activity" means an activity offered by a school, school district, charter school or county office of education that constitutes an integral fundamental part of elementary and secondary education, including, but not limited to, curricular and extracurricular activities.
 - b. "Pupil fee" means a fee, deposit or other charge imposed on pupils, or a pupil's parents or guardians, in violation of Section 49011 of the Education Code and Section 5 of Article IX of the California Constitution, which require educational activities to be provided free of charge to all pupils without regard to their families' ability or willingness to pay fees or request special waivers, as provided for in *Hartwell v. Connell* (1984) 35 Cal.3d 899. A pupil fee includes, but is not limited to, all of the following:

1. A copy of the original complaint.
2. A copy of the decision.
3. A summary of the nature and extent of the investigation conducted by the Charter School, if not covered by the decision.
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by all parties and gathered by the investigator.
5. A report of any action taken to resolve the complaint.
6. A copy of the Charter School's complaint procedures.
7. Other relevant information requested by the CDE.

The CDE may directly intervene in the complaint without waiting for action by the Charter School when one of the conditions listed in Title 5, California Code of Regulations, and Section 4650 exists, including cases in which the Charter School has not taken action within sixty (60) days of the date the complaint was filed with the Charter School.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.
